An exciting day in Springfield visiting legislators, learning about the history of cooperatives, and sightseeing is planned. Our group will meet in Camp Point on Wednesday, April 21 and travel to Springfield where we will gather with approximately 300 students from across Illinois. **A judge from the Association of Illinois Electric Cooperatives will interview the top 10 entries from each cooperative and select two winners to represent each cooperative on the Youth to Washington Tour, June 11-18.** Two alternates will also be selected.
